Principal's Report

The Principal's Report was provided to the Council

Treasurer Update:

John Holgate:

- \$22,028.63 (including \$5252.11 in school account, \$16,276.52 in the School Council account, and \$500 cash on hand) minus planned but not incurred expenses of \$4,000 for this year's wish list and \$4,000 from last year's Chromebooks wish list item. This leaves a balance of \$14,028.63 that is still available.

PRO Grant and Scientists in Schools:

Maja Strika:

- would cost \$700-\$800 in addition to what is covered by PRO Grant, general agreement that given limited ability to fundraise for last two years, \$700 for virtual sessions for students/families that may not be well attended is not best use of funds

Featherston greening and grant application:

Simona Wagner:

- reviewed CEPGP grant application prepared by Gillian Cooper, school council would have to approve \$435
- John Holgate moved that council support initiative to apply for grant for trees (which \$ was approved for last meeting), Marlisa Tiedemann seconded – **motion carried**
- Simona Wagner requested a letter of support from the school; Gillian Cooper will provide a draft

Including Gillian Cooper as a community representative for Council:

- John Holgate moved to include Gillian as a community rep for council, Maja Strika seconded, **motion carried**

Adjournment:

- Maja Strika moved to close the meeting, seconded by Marlisa Tiedemann, **meeting adjourned** approximately 730
